

10-Mini Device Static AC Charging Locker for Mini Tablets, Mobile Phones, POS, Scanners & e-Readers up to 10" - Horizontal

- **Charges 10 Devices** up to 10" screen size – tablets (including protective cases), mobile phones, POS devices, tooling and other chargeable equipment
- **Individual Charging Compartments** include access to a power socket and secured with a reprogrammable combination lock
- **Multi-Layered Security System** for users, admins and master code holders
- **Fast Charging** ensures devices are ready to go when you need them
- **Built to Last** with high density materials, components and construction processes to withstand the busiest environments such as education, healthcare, retail, industrial and commercial
- **Silent Charging** with unique ventilation system and no noisy fan
- **Support for Life** with Lifetime Warranty (5 years electrical), ships fully assembled

1. Industrial grade digital combination lock secures each compartment. In case a user forgets their code to the digital lock or access to a compartment is needed, a three-tiered security system with a User, Technician and Master Code level can override if necessary.

5. Perfect for use in busy common areas such as cafeterias, breakout zones, gyms, locker rooms and staff rooms. Built to commercial grade furniture standards, passing tests for durability, stability and weight bearing loads for high impact usage. Tested to comply with Healthcare Infection Control Procedures to ensure unit can be cleaned thoroughly, according to healthcare guidelines, preventing the spread of infection.

2. Weight bearing L-shaped feet are fitted to the base of the unit to ensure air circulation and easy cleaning.

Lyte 12mm gray MDF fixed shelves.

3. Locker has 2 x 5-way power strips installed, 1 per compartment, designed and manufactured in-house.

Silent ventilation system includes side and rear vents to keep devices cool with constant air circulation without the need for a noisy fan that can also spread germs.

4. IEC socket with 1.8m / 6ft power cord designed to snap out if pulled away from the wall to prevent damage.

Devices sit horizontally within individually secured yet roomy compartments to protect the devices during charging.

	Code	Number of devices can hold	Unit Dimensions	Device Compartment Size
Lyte 10 Multi Door Mini	LYTE10MDMINI	10	W420 x D390 x H1010 mm 16.5" x 15.4" x 39.8"	W280 x D300 x T83 mm 11.0" x 11.8" x 3.3"

IMPORTANT NOTE: CHECK ACTUAL DEVICE SIZE, INCLUDING POWER CABLE FOR COMPATIBILITY WITH DEVICE COMPARTMENT SIZE. IF IN DOUBT PLEASE CONTACT LAPCABBY FOR CONFIRMATION

About LapCabby

LapCabby has been developing innovative products that our customers love for the last 20 years.

We make portable storage trolleys and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks.

It's the smart way to keep tech safe, charged, and in one secure place.

We've included some really ingenious features to ensure our products do everything you need them to - and a little more besides.

Our trolleys are used everywhere, from Education, Health Sector, Local and State Government and Corporate, so whatever you are, our products are sure to make a difference.
